Dear Member,

You will have realised that no subscription notice has been sent out this year.

Because of the formation of the Association of Salaried Medical Specialists (ASMS) our role has become redundant.

We strongly advise you to join this new Union (ASMS). Membership will give you the appropriate protection of your Conditions of Employment in the public hospital.

If you have any queries, do not hesitate to contact either of us.

Yours sincerely,

R.H. Acland
Secretary
